Our coaching staff are experienced soccer players, bringing the best possible soccer experience and training to your children. We teach ball control, shooting, passing, dribbling ....and more. We also feature Pizza Day, Barbecue, friendly games and tournaments.

A typical day includes warm-up, skill training exercises and games. Games take place in a small field setting, providing each player with the opportunity to enjoy many touches of the ball.

This is the seventh year of our soccer camp. Last year, over 200 children participated in the camp and enjoyed a fun and successful soccer experience. We encourage your children to join us in this safe and caring environment to learn about soccer, a great sport for kids of all ages.
